With a modern and functional design, The Woodland rambler is a fan favorite, and for a good reason. Featuring 6 beds and 4 baths, with an open-concept main living space. With an exquisite owner's suite, showcasing a spacious walk-in closet and owner's bath. Convenient closet space is also designed throughout. The gourmet kitchen includes a large walk-in pantry and a kitchen island for all your prepping and cooking needs. The dining and family room connect with the kitchen for you and your family to enjoy spending time together, whether cooking, eating, or watching movies. The basement features an additional 4 beds, 1 bath, storage space, and a recreation room.
