A stylish rambler, The Sonoran floor plan also has a functional layout with 3 bedrooms and 2 bathrooms. The entrance leads you into the family room, kitchen, and dining areas that you'll love calling home. A large kitchen pantry and island provide the ideal counter and storage space needed to your kitchen. A spacious primary suite off the family room includes a large walk-in closet and gorgeous bathroom with a water closet, where you can relax and unwind. The two bedrooms near the front of the house also feature walk-in closets, so you'll have plenty of storage space to your new home.
